

117TH CONGRESS
1ST SESSION

S. 580

To reauthorize the Neighborhood Stabilization Program, and for other purposes.

IN THE SENATE OF THE UNITED STATES

MARCH 3, 2021

Mrs. FEINSTEIN introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

A BILL

To reauthorize the Neighborhood Stabilization Program, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Affordable Housing
5 Redevelopment Act”.

6 SEC. 2. FINDINGS.

7 Congress finds that—

8 (1) even before the economic hardship caused
9 by the COVID–19 pandemic, the United States
10 faced a shortage of more than 7,000,000 affordable

1 rental homes to meet the needs of extremely low-in-
2 come renters;

3 (2) due to financial burdens and loss of income
4 resulting from the pandemic, millions of people in
5 the United States are at risk of eviction or fore-
6 closure, and the need for affordable housing is ex-
7 pected to increase dramatically;

8 (3) homelessness is projected to rise by as much
9 as 45 percent across the United States as a result
10 of the pandemic and economic crisis, meaning nearly
11 1,000,000 people in the United States could be expe-
12 riencing homelessness in the very near future;

13 (4) in addition to making long-term investments
14 in the affordable housing stock in the United States,
15 it is also critically important to focus resources on
16 more immediate solutions, such as acquiring and re-
17 habilitating existing buildings and placing afford-
18 ability requirements on the housing that is produced;

19 (5) acquisition and rehabilitation provides two
20 distinct advantages by lowering per-unit construction
21 costs and making affordable housing units available
22 to low-income households much faster;

23 (6) in addition to rehabilitation of residential
24 properties, there are opportunities for adaptive reuse
25 and the conversion of non-residential office and re-

1 tail properties to create new affordable housing in
2 communities across the United States; and

3 (7) helping States, local governments, and non-
4 profit organizations acquire blighted, abandoned, va-
5 cant, foreclosed, or surplus properties and convert
6 them into affordable housing will allow for the rapid
7 development of new affordable units, while stimu-
8 lating local economies and creating jobs.
